Toledo GROWs

SUMMER

VIRTUAL HANDS-ON

Toledo GROWs
900 Oneida St. Toledo, OH

Experience a farm field trip in your own space!
Each of our hands-on, virtual offerings gives you everything you need for a memorable and interactive activity with your students. Our educator will deliver a box of materials to your daycare or school the day before your scheduled program. Using these resources we will provide a 45 minute program that your kids will just love!

Contact us today: 419.720.8714

These programs are designed for groups of 9 children

Program Details

⇒ **Programs are designed for groups of 9 students, ages K-6th.**

⇒ **Each program is $50 and the supplies are yours to keep.**

⇒ **Our educator will send you a list of items that we recommend you have on hand for your program.**

Wild About Worms – They're wiggly, they're squiggly, and they are so important for our earth! Dive in and discover what creatures live in the soil to help make our planet happy and healthy. With this hands-on, virtual program each class that participates will receive the following:

- Worm bin with live animals
- Observations trays
- Worksheets
- Coloring pages and crayons
- 45 minute virtual lesson

Fantastic Fruits – The science of fruits and vegetables is amazing! With this program we'll get messy and discover which things are fruits and which are not. With this program you will receive the following:

- Fruits and vegetables
- Observation trays
- Worksheets
- Coloring pages and crayons
- 45 minute virtual lesson

Pollution Solutions – Can you come up with a way to save the planet? Check out this super program and learn about how Earth needs our help! You'll need a creative mind with this messy activity. With this program you will receive the following materials:

- Water pollution activity box
- Observation Trays
- Worksheets
- Coloring pages and crayons
- 45 minute virtual lesson
