

Harvest Dinner Series

Toledo
GROWs

Harvest Dinner Series | August and September 2021

This series of farm-to-table meals celebrates the local harvest, featuring a feast of fresh, sustainably-grown foods. Local chefs create a dining experience at unique local venues, using produce from Toledo GROWs' urban farm. Guests also enjoy locally crafted drinks and a casual dining atmosphere – all while supporting the work that Toledo GROWs does with more than 125 community gardens.
